Dancing to the Rhythm of My Soul

By Rhonda Swan (Inner Work lessons)

****** LESSON #7 ******

***--- You are the only person you can change.
If you want to see a difference in others,
do something differently or think
differently about what you see. ----***

BEING THE CHANGE YOU WANT TO SEE IN THE WORLD

What is the one thing about yourself that, if changed, would have the most positive impact on your life?

Write a pledge to change it and begin the process to do so. Buy a book on the subject or consult a psychologist or other expert if necessary.

It's OK if you have to begin with baby steps. The important thing is to take that first step and to not beat yourself up along the way.

If you find that you're not making the progress you think you should, realize that you are doing the best you can and judging yourself only defeats the purpose.

Note from your editor: I am going to be sharing monthly a series of lessons that I found helpful and what this author would refer to living as a **G-L-A-D** (Grateful, Loving, Aware, Divine) individual. The series is titled: "**Inner Work**" I truly hope you like and enjoy it.
