****FOR ALL PLATS****

The Recreation Board cordially invites **ALL** Plat Presidents and homeowners to attend our meetings on the 1st Tuesday of every month.

PRESIDENT'S MESSAGE:

Good times happening:

This past weekend we had the highlight of the year in our Rec Theater! Watching our community come together as stars, directors, assistant directors, audio directors, stagehands, costume designers, videographers, and any others we might have missed!

All cast and crew came together and engineered the most magnificent and exceptional show with spectacular performances to a packed house. They did a fabulous job, put in long hours, along with lots of time, but the end results were a phenomenal Saturday night with friends and family laughing, singing, and seeing a 20-star production. It was the first time for many of them to take on a project like this, and you all smashed it. Thank you to all of you!!!! Everyone at the show was raving about it!

Alan Shwartz will be putting a link on our Delray Villas Rec website so you can enjoy watching it again or watching it for the first time. Kudos to all of you!

Info on Recreation Projects: Engineering for pool and tennis areas is almost complete. We should be applying for permits within the next two weeks or so. July 7th is the tentative start date for pool.

Plat 3 has graciously voted and are offering pool capabilities to the 4/5 residents. The Rec Board is extremely grateful. We will finalize that as we get closer.

This month the Rec Meeting is on Tuesday, May 5th we will be hosting Robert Rosen and Michelle Florry from Gerstle, Rosen, & Goldenberg, P.A., to review the 2025 audit and balance and P/L sheets for 2025. We will also have Steve Rappaport or Daniel Webber from Sachs, Sax, & Caplan.

The meeting will be held at 7 PM in the A. Building.

**The Rec Board of Directors look forward to seeing you all Tuesday night.
Camille**

Pool and Gym now open till 10p. Please be respectful of noise level after 8p. THANKS DVRA

Chair Yoga
with Mo
at the
Rec Center

Your doctor (like mine) has said, "Time to start exercising!" Maybe you've had a knee or hip replacement and your recovery has hit a plateau. Or maybe there are a million other reasons to "move it or lose it," as the saying goes. Whatever your reason, the Rec Center offers a number of options to help you start moving again.

Chair Yoga with Mo is held at the Rec Center on Saturday mornings at 11:15 and costs \$8. No mat or special equipment is needed. The entire class is done either seated in a regular chair or standing alongside or behind the chair. This class is suitable for almost anyone and can even serve as an introduction to a regular yoga class.

The first part of the class is usually done seated and includes breathing exercises to calm the mind, along with gentle, general stretching. The second half may be done standing beside or behind the chair, using one or both hands for support. The instructor, Mo, welcomes questions about specific issues and yoga movements, and offers alternate options if a particular movement isn't comfortable.

The class finishes back in the chair with a cool down and final stretches. Some participants find they're ready to move on to the regular yoga class (Saturdays at 10:00) after a few Chair Yoga sessions, while others continue to benefit from the slower pace and focus on rehabilitation. Whichever path is right for you, I hope to see you at yoga. Namaste!

The Delray Villas Pickleball team took to the courts to play in the Pinnacle Play it forward winter league. Playing against 6 different communities in the area.

The team ended up undefeated at 10-0, playing against teams that have played together prior and for some of players it was their first foray into competitive pickleball.

Under the directions of captains, Tommy Rudolph and Pat Melito, the team continued to improve with each game. The TEAM was made up of Kim Melito, Dorothy Rudolph, Jerry Casale, Marcie Mendelson, Hank Andes, Karen Donovan, Glen Selmi, Andrea Spector, Anna Lerner, Rory Guma, and Joann Sheehy. It was a wonderful experience and great fun, at times challenging to get practice time.

We are now looking forward to having our own courts.
